

KEVIN.MURPHY ROLL.BRUSH

Hand crafted by a small Spanish family owned company located on the northeastern coast of Spain. The brush handle is manufactured in real Mahogany Hardwood, directly imported from non-deforestation Woods in Central Africa. This type of wood is especially appreciated because it is very strong and light in weight, the handle has been hand crafted and is ergonomically designed making it the perfect brush handle to use. The bristles are made from pure natural wild boar to ensure that there is no damage to the hair structure. Top raw materials, a handmade finishing process and continuous quality control, will make the ROLL.BRUSH preferred by professional stylists around the world. Available in salons worldwide
