ECO (NATURAL)

The most natural and ecological professional hair brush, for an all natural blow dry. Pure reinforced bristles (65% wild boar, 35% nylon) gives hair a friendly treatment, leaving it with a natural and silky smooth finish.

50503 – ECO large

65 mm. dia. total
18 bristles rows

50502 – ECO medium

55 mm. dia. total
14 bristles rows

50501 – ECO small

45 mm. dia. total
12 bristles rows

Benefits:

It's superior ultra-dense blend of 100% natural reinforced bristles. A unique bristle combination that leaves the hair healthier, silky and shiny.

Sculpted from a high quality polished Mahogany hard wood. The special ergonomic handle with it's added length, gives full control and best salon-comfort in a round brush blow dry. The hardwood absorbs the heat from the blow dry protecting the hair and scalp.

Ingredients:

Reinforced first-cut natural boar bristles.

Mahogany wood sourced from non endangered forests.

Pure reinforced ultra dense bristles

Logo engraved on handle in laser system.

Premium quality DeLuxe individual box
