Steven Tapp.

Argyle Salon and Spa Hollywood.

"The Blonde Boar IBIZA Brushes are the best brushes for volume and shine. They have great tension. The Mahogany oval de-tanglers are the best I have ever used."

Steven is also credited for creating and maintaining Madonna's color for her last three tours, Reinvention, Confessions on a dance floor and most recently Sticky and Sweet. In two decades of doing hair, Tapp's most recent accolade came from InStyle Magazine, which listed a patent Tapp secret as the No.1 Best Hair Tip of all time (for the record, it's about the smudge").

BRUSHES

The Manifesto.

- Set the standard for high quality European brushes – where superior functionality brings harmony and a sense of spirit to the consumer.
- Design and create products which are environmentally conscious and use all natural materials.
- Listen to visionary hair dressers and incorporate feedback into our products
- Create a network of partner salons and provide them with personalized service
- Provide excellent service to all people who love hair and hair care products.

The Brush

The Brush: = CORK, WOOD, BOAR AND LOVE.

- CORK. Our cork handle brushes have an amazing ergonomic grip that makes blow outs more comforting to the stylist, so they can connect more with the hair and the client.
- BOAR. Natural boar bristles distribute the oils in the hair naturally, giving an instant shine and vitality to the scalp and hair.
- WOOD. We use only certified eco friendly woods that are not endangered.
- LOVE. The spirit of Max Johles and the dedication of his son Aaron bring an unending source of love to all who use Ibiza products.
