ELIPSE Cork Grip

CONTOUR DESIGN

The "ELIPSE" brush Hourglass design by Regincós has been designed for the best contour. Manufactured with a concave wooden barrel which gives a special elliptical shape to the pins and the twisted bristles will follow the contour of the head. The long bristles area will give you perfect brushing from the hair roots.

Natural brushes.

Manufactured in high quality hard wood sourced from non endangered forest, are handcrafted sculpted and finished.

The most natural and ecological professional hair brush, for an all natural blow dry. Pure reinforced bristles (65% wild boar, 35% nylon) gives hair a friendly treatment, leaving it with a natural and silky smooth finish.
